January 2025 Fitness Schedule

Land & Water Classes

AOA Fitness- This exercise class encompasses all the major fitness components- cardiovascular endurance, muscle strength, flexibility, and balance. You choose whether to sit or stand during the class.

Aquacise- A low/moderate intensity water workout, focusing on cardiovascular health, muscular endurance, strength, and flexibility. This workout is a blend of cardio and resistance training. Knowing how to swim is NOT required.

Aqua Fit-Combo Use both shallow and deep ends of the pool in this class that focusses on cardiovascular fitness, muscular strength, core, and balance. Floatation equipment is available.

Barre-This unique class combines Ballet, Yoga, and Pilates into a low impact workout that increases flexibility and balance. This class incorporates light weights for an upper body workout.

Aqua Jog- A cardiovascular workout that uses the same muscles as running, but with the resistance of the water.

BOOM MUSCLE: A moderate vigorous muscular and aerobic endurance workout. MUSCLE incorporates mostly strength exercises that boost overall fitness. Move through muscle conditioning blocks and activity-specific drills to improve strength and functional training.

New* Cardio Drumming-RockAbility cardio drumming is a fun engaging workout that combines drumming with exercise, offering a creative way for members with all abilities to stay active. Join a Rockability musician and practice movin & grovin to popular music! This class is adaptive for all ages and all abilities. Cost: \$80 Members/ \$160 Nonmembers

Cardio Strength Blast- This whole-body workout is a mix of easy-to-follow cardio movements and basic weight training exercises.

Cycle & Core-You get the best of both worlds in this combo class that is half group cycling and half targeted core exercises combined.

Hi/Lo Cardio: An energizing cardiovascular workout that uses high and low movements.

Les Mills: BODYPUMP- A total body strength workout that will shape & tone all the major muscle groups, increase core strength, improve bone health & leave you feeling strong and fit!

Mindfulness Meditation-Led by a licensed Mental Health therapist, this class is designed to practice mindful meditation to calm the mind and the body. Chairs and mats are available. All are welcome!

Pilates- A strength and mobility class that focuses heavily on stabilizing the spine, improving posture, and strengthening major core muscles. New/Pilates Plus- An intermediate level class that uses props to simulate a Pilates workout that would be done on a reformer.

Pure Strength-A workout for all who want to learn the basic strength training techniques along with functional movements for a fun but challenging workout.

Pilates Barre-This hybrid class combines Pilates with ballet and barre work.

Senior Strength & Balance- This class always keeps one foot on the ground to reduce joint impact. A fun and upbeat class that focuses on easy-to-follow strength and balance movements. A chair may be used for support and balance stability.

Silver Sneakers Circuit- we combine fun and fitness to increase your cardiovascular and muscular endurance power with a standing circuit workout. Upper body strength work, using hand weights, elastic tubing with handles and a ball is alternated with non-impact aerobics choreography. A chair is offered for support, head to toe stretching and complete relaxation in a comfortable position. This class is open to ALL YMCA members and suitable for intermediate level exercisers.

Silver Sneakers @ Classic- Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of motion and activity for daily living skills. Chairs are used for support and balance.

Silver Sneakers @ Yoga- A workout that will move your whole body through a sequence of standing and seated yoga poses. Chair support is offered to safely perform a variety of postures designed to increase flexibility, balance, and range of motion. Restorative breathing and guided relaxation help to reduce stress.

New*Step-This classic cardio workout has lasted for decades for one simple reason: It delivers results. You step up, around and down from a platforming various patterns to boost your Heart rate, breathing and strengthen your muscles.

Strength & Core- Strength/toning class that focuses on the major muscle groups including core muscles for a balanced workout.

Taijifit- A martial art practice that involves a series of slow movements and physical postures to improve mental and physical health.

\$ TRX- Small Group Training Class- Suspension training is a tool that uses gravity for resistance. TRX class simultaneously develops your strength, balance, flexibility, and core stability. Members of all ability levels can participate, since adjusting the difficulty of the exercise is as easy as moving your feet. **(Cost: Plus, Members: free, Members \$5 per class, or \$10 month/Participants \$15 per class or \$20 month)**

Water Wildcard- A strength/cardio conditioning class that utilizes a variety of equipment in the water. Anything goes!

Yoga Flow- Hatha A practice where yoga postures are connected through breath. This class builds endurance, flexibility, and strength with easy-to-follow sequencing. New: Yoga Basics- Learn breakdown of different poses along with breathing techniques.

Yoga Flow-Vinyasa-Yoga style that links poses with breath to create continuous flow of movement from one pose to the next. The instructor safely guides you in and out of poses to allow the benefit of deep stretching, strength building and proper alignment and attention to breath. This class runs at a moderate to advanced pace; however, provides a safe space for beginners as well as advanced.

Zumba®- Fuses hypnotic Latin rhythms and easy to follow moves to create a dynamic fitness program. Add some Latin flavor and international spice into the mix.

Zumba Gold- Low impact, slower version of Zumba.
