ABOUT OUR PROGRAM GUIDE

- We have worked hard to continue to develop new programs for all our members. As our program guide continues to grow, we know it is sometimes challenging to find programs for your family when organized by activity rather than age. We have aligned our program guide to be organized by age. We believe this is an easier way to search through a wide variety of program offerings in one section rather than looking through the entire guide.
- You will find the categories as follows:
 - Early Childhood (ages 0-4)
 - Youth (ages 5-12)
 - Teens (13-18)
 - Adult (18+)
 - Active Older Adults (55+)
 - Families (all ages)
 - Aquatics (all ages)
- Ages are meant to be a guide, each program and discipline varies
- Some overlap will occur in offerings for age groups and you may see listings in multiple age groups.
